

Another unknown soldier  
Another lesson learned  
Kick the gas can over  
Strike a match get back and watch that sucker  
burn

Keep smiling for the camera  
Keep waving to the crowd  
Don't let up for an instant  
Stay the course and make your mama proud

You're the man  
Show'em what you're made of  
You're no longer daddy's boy  
You're the man  
That they're all afraid of  
But you're only Cheney's toy

Another unknown soldier  
Who's seen it all before  
All in the name of Jesus  
Behind the razor wire and shackled to the floor

Just keep smiling at the cameras

And keep that twinkle in your eye  
We don't need to know the answers  
Long as we're safe, just hit your marks and say  
your lines

You're the man  
Show 'em what you're made of  
You're no longer daddy's boy  
Take a stand  
Give 'em what they paid for  
'Cause you're only Cheney's toy

They'll take a fork and turn you over  
While the fat lady sings  
One more pin on one more shoulder  
Is all the future brings  
For another unknown soldier  
Who don't know his own name  
And he won't get any older  
And he can't see for the shrapnel in his brain

(Multi Chorus)
